November 19, 2021

Dear Parents,

Good Morning!

Today, I had a brief meeting with all the girls from middle and high school. I want to update you on what we discussed this morning.

There were three things that I mentioned:

1. To keep the washrooms clean for the next person after they use them.
2. School uniform: Long black stockings (not leggings) may be worn during winter. If they choose to wear stockings that go up to the knees then their skirts should be long enough to cover the knees. The knees should not be seen.
3. The girls should tie their hair or wear a hairband, especially when they are in class. The reason for this is that there are many students using Bluetooth earphones during class. Before the start of the class, the teachers will ask the girls to tie their hair or use a hairband so that their ears and forehead are clearly visible. Bluetooth devices used during class time will be confiscated and the student will be issued a yellow card. No excuses, because they are already informed by the Discipline office today, November 19, 2021.
4. This point was discussed by Ms. Archie. All the students have to wear blue jeans (of any shade of blue) with their House T-Shirts on Wednesdays. If they do not have the blue jeans, they need to get some because they will be wearing them every Wednesday.

Thank you for your cooperation.

Sincerely,

Sr. Rosa Dabhi, CCV
Prefect of Discipline (Girls)
